Elista 43-Inch 4K Smart TV (LED-SU43EBA58) Review : A Promising Start

By Rohit Arora | Updated: Monday, August 1, 2022, 19:29 [IST]

Listen

The Indian market is flooded with budget Android smart TVs. There are more than a dozen brands offering Android Smart TVs with screen sizes ranging from 32 to 75 inches. The legacy TV brands such as LG, Sony, Samsung, etc., are facing stiff competition from new brands, predominantly Chinese companies that began as phone brands but have expanded into home entertainment.

Elista 43 इंच LED Smart TV रिव्यू: शानदार डिसप्ले और स्मार्ट ओएस

By Mukesh Singh - August 16, 2022

आज अगर आप टीवी लेने का प्लान कर रहे हैं तो जाहिर है स्मार्ट टीवी ही लेंगे। वहीं अगर बजट थोड़ा बेहतर है तो फिर आप बड़ी स्क्रीन साइज की ओर देखेंगे। वैसे तो बाजार एंड्रॉयड स्मार्ट टीवी से भरा पड़ा है लेकिन आज मैं आपको WebOS बेस्ड स्मार्ट टीवी की बारे में बताने वाला हूँ। हाल में प्रमुख कंज्यूमर गुड्स कंपनी TeknoDome ने भारतीय बाजार में Elista (Elista LED-SU43EBA58) स्मार्ट टीवी मॉडल को लॉन्च किया है। यह टीवी WebOS पर बेस्ड है जो कि गूगल के एंड्रॉयड से अलग है। इसके अलावा दूसरी खूबियों की बात करें तो 43 इंच डिसप्ले, 4K रेजल्यूशन और डुअल बैंड वाईफाई जैसे फीचर्स से लैस है।

Elista to set up two electronics plants in AP

HYDERABAD: Electronics manufacturer Elista is investing Rs 350 crore in setting up two electronics goods and appliances manufacturing facilities in Kopparthi of Andhra Pradesh's Kadapa district.

UAE-based TeknoDome, which is the parent company of Elista, has already acquired three acres land from the AP government for setting up a 1.32 lakh sq ft smart TV and monitors facility, which will be operational from March 2024 following a phase-1 investment of Rs 55 crore. The company will be investing a total of Rs 250 crore in this plant.

The second facility, which will manufacture smartwatches and white goods such as refrigerators and washing machines, will be set up at an investment of Rs 100 crore and is expected to be ready for production by end of 2024.

Elista & TeknoDome chairman & managing director Saket Gaurav said the first plant will have the capability to manufacture 1 million smart tv sets and 1 million monitors per annum at full capacity, while the second plant will have capacity to manufacture at least 1 million smartwatches, 2 lakh speakers and 40,000-50,000 units of appliances per annum to start with.

≡ PRESS TRUST OF INDIA

ELISTA TO INVEST RS 100 CRORE TO SET UP MANUFACTURING PLANT IN ANDHRA PRADESH

Updated: Jul 13 2023 8:55PM

New Delhi, Jul 13 (PTI) Electronics maker Elista on Thursday said it will invest Rs 100 crore in Andhra Pradesh to set up a manufacturing unit for Smart LED TVs, smartwatches, audio speakers, and large appliances.

The company has signed an MoU (Memorandum of Understanding) with the Government of Andhra Pradesh to set up its second manufacturing plant in the state, the company said in a statement.

Earlier, Elista had announced setting up a 1.32 lakh square feet facility in Andhra Pradesh with an investment of Rs 250 crore in March 2023.

ET THE ECONOMIC TIMES

Elista signs MoU with Andhra government to set up manufacturing plant

This will be the second consecutive plant from Elista in the state. Elista recently announced setting up a modern 1.32 lakh sq ft facility in Andhra Pradesh with an investment of Rs 250 crore in March 2023.

Electronics, home appliances, IT & mobile accessories brand Elista has signed an MoU with the Government of Andhra Pradesh to invest Rs 100 crore in setting up its second manufacturing plant in Andhra Pradesh.

Elista recently announced setting up a modern 1.32 lakh sq ft facility in Andhra Pradesh with an investment of Rs 250 crore in March 2023. This will be the second consecutive plant from Elista in the state.

Business Standard

Elista to invest Rs 100 cr to set up manufacturing plant in Andhra

Earlier, Elista had announced setting up a 1.32 lakh square feet facility in Andhra Pradesh with an investment of Rs 250 crore in March 2023.

Electronics maker Elista on Thursday said it will invest Rs 100 crore in Andhra Pradesh to set up a manufacturing unit for Smart LED TVs, smartwatches, audio speakers, and large appliances.

The company has signed an MoU (Memorandum of Understanding) with the Government of Andhra Pradesh to set up its second manufacturing plant in the state, the company said in a statement.

"The company is planning to generate Rs 50 crore in revenue from this category by the next financial year. This state-of-the-art plant will have a production capacity of 10 lakh smartwatches and 2 lakh speakers, and will generate an employment opportunity for around 500 people," it said.

"The expansion into the smartwatches category will help Elista become a one-stop solution for consumers," Chairman and Managing Director Saket Gaurav said.
